Aeries – Student Portal Registration

Enter your student number, telephone number and verification code and click the **Next** button.

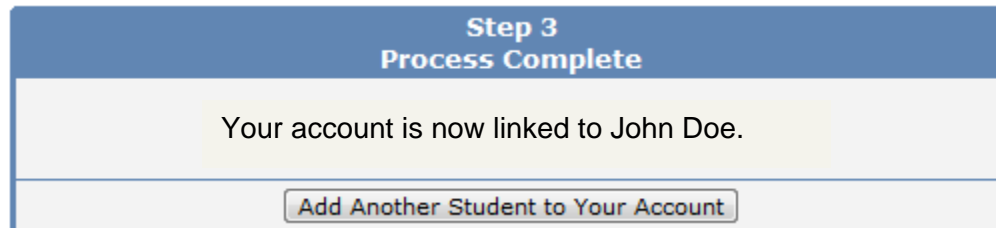

The screenshot shows a web form titled "Step 1 Student Verification". Below the title is the instruction "Please Enter The Following Information About Your Student". There are three input fields: "Student Permanent ID Number:", "Student Home Telephone Number:", and "Verification Code:". At the bottom of the form are two buttons: "Previous" and "Next".

Note – the home telephone is actually the primary phone number that your parents have provided to the school. If your home phone does not work, check with your parents to see what number they provided as 'primary'.

The verification code is provided by the school site and is a non-repeating random number (for security purposes).

You will then see a Process Complete screen.

The screenshot shows a web screen titled "Step 3 Process Complete". The main message is "Your account is now linked to John Doe." Below this message is a button labeled "Add Another Student to Your Account".

Note – the email you provided for your student account registration will be recorded in Aeries as your primary student email, overwriting any existing email.
