# Frequently Asked Questions...

## If my child has no other insurance, what's my best buy?

Student Accident & Sickness, which covers Injuries and Sicknesses 24 hours a day. Next best is the Full-Time 24/7 Accident Plan with High Option benefits.

## If I have other insurance, why do I need this coverage?

Most other plans have a deductible and/or co-payment. Our plans can help with these out-of-pocket expenses.

## Can I take my child to any doctor or hospital?

**YES!** However, your out-of-pocket cost could be less by using a Beech Street contracted provider. To find doctors/hospitals nearest you, call **800-877-1666** or log on to **www.beechstreet.com**.

## Are accident-only plan rates paid every month?

**NO!** Accident-only rates are one-time charges for the entire School Year.

## Can interscholastic high school tackle football be covered?

**YES!** But only under the Interscholastic Tackle Football Plan. "High Option" benefits are recommended.

## If my child has a Covered Injury or a Covered Sickness, will benefits for that same Injury or Sickness be extended if he/she re-enrolls next year?

Once maximum benefits have been paid or the benefit period ends (generally, one year) no further benefits for that Injury or Sickness will be made. The Dental Accident Plan is the only exception. See this brochure for details.

## Definitions

An **Accident** is defined as a sudden, unexpected and unintended incident. **Covered Accident** means an Accident that results in Injury or loss covered by this Policy. An **Injury** is defined as Accidental bodily harm sustained by the Covered Person that results directly from an Accident (independently of all other causes) and occurs while coverage under the Policy is in force. **Medically Necessary** is defined as the services or supplies provided by a Hospital, Physician, or other provider that are required to identify or treat an Injury or Sickness and which, as determined by the Company, are: (1) consistent with the symptoms or diagnosis and Treatment of the Injury or Sickness; (2) appropriate with regard to standards of good medical practice; (3) not solely for the convenience of the Insured Person; (4) the most appropriate supply or level of service which can be safely provided. When applied to the care of an Inpatient, it further means that the Insured Person's medical symptoms or condition requires that the services cannot be safely provided as an Outpatient. **Sickness** is defined as illness or disease contracted by and causing loss to the Insured Person whose Sickness is the basis of claim. Any complications or any condition arising out of a Sickness for which the Insured Person is being treated or has received Treatment will be considered as part of the original Sickness.

## Non-Duplication of Benefits (Excess Provision):

In order to keep premiums as affordable as possible, these plans pay benefits on a non-duplicating basis. This means, if a person is covered by one or more of these plans and by any other valid insurance or health agreement, any amount payable or provided by the other coverages will be subtracted from the covered expenses and we will pay benefits based on the remaining amount.

**IMPORTANT NOTICE:** If your child qualifies for Medicare, you must obtain a Medicare disclosure notice prior to applying for this insurance. Please contact our office for a copy of this notice.
