☐ ## Short Answer Question Responses
You will find this document within the application. Make sure to download, print and upload it with your responses (This document will be posted on our website once the application window opens). Students must write their response by hand and only write within the space provided.

☐ ## Teacher Contact Email for Teacher Reference Form
Please provide us with a teacher (only 1 teacher) email contact from your previous school year (2022-23). If your previous teacher is not available, then one of your teachers from this school year (2023-24) will be acceptable. Oxford Academy needs this email contact to send the Teacher Reference Form to your teacher reference. Please communicate with the teacher you are using as your reference in advance so they are aware and agree to complete your reference. Applications with incomplete references will not be processed.

☐ ## *ONLY IF APPLICABLE.* Copy of IEP or 504 Plan Documents
This document does not have an impact on the decision for admissions. We simply want to know the support services we will need to better serve your child during the entrance exam and school year, if admitted. These documents are required if you have an IEP or 504.
