You are hereby notified that a special meeting of the  
Board of Trustees of the Anaheim Union High School District  
is called for

**Monday, the 12th day of May 2008**

in the District Board Room, 501 Crescent Way, Anaheim, California

**Special Meeting**  
**5:30 p.m.**

**A. Resolution No. 2007/08-HR-11 Concerning the Reinstatement of Certain Classified Positions from the 2007-08 Reduction in Force (Roll Call Vote)**

The Board of Trustees took action to reduce particular kinds of services provided by classified employees. This action was necessitated by the state-wide budget crisis and significant reductions in district revenue. District staff carried out the board's decision by using a selection process that involved seniority, in accordance with the requirements of the Education Code.

The Board of Trustees is requested to adopt Resolution No. 2007/08-HR-11, to reinstate certain classified positions from the 2007-08 Reduction in Force. The reinstatement of positions that had been laid off was made possible because of new retirements, openings, and other personnel changes.

**B. Classified Personnel Report**

The board took action on March 13, 2008, to reduce classified staffing. The exhibit to this item lists the employees who were actually impacted by that action.

**C. Settlement Agreements**

1. On February 19, 2008, the Board of Trustees authorized Best Best and Krieger to make a California Code of Civic Procedures 998 offer to settle litigation between Giannelli Electric, Inc. and the district. On April 4, 2008, Giannelli Electric, Inc. accepted the district's offer. By this action, the Board of Trustees will formally ratify the terms of the agreement between the district and Giannelli Electric, Inc.
2. On August 30, 2007, the Board of Trustees authorized the deputy superintendent to settle litigation between A2Z Contractors and the district. The deputy superintendent was directed to complete negotiations regarding incomplete defective work and to incorporate those terms into the settlement agreement. A2Z Contractors and the district executed a settlement agreement on January 18, 2008. On March 28, 2008, district staff verified that A2Z had completed all incomplete defective work as required by the settlement agreement. Therefore, on April 15, 2008, the court entered the dismissal of the case, due to the resolution of the matter by agreement of the parties to the performance of the terms of the settlement agreement. By this action, the Board of Trustees will formally ratify the terms of the agreement between the district and A2Z Contractors.
