ANAHEIM UNION EDUCATIONAL

PLEDGE

7TH GRADE

ACADEMIC PLANNING

- ↓ All students entering 7th grade will participate in a transition program to help them get to know their new school.
- ↓ All 7th grade students will complete a 6-year plan consisting of the classes required to graduate from high school and the A-G classes required to apply to four-year public universities.
- ↓ Students will be provided with support to earn a C grade or better in all classes.
- ↓ Strong focus on: Critical thinking, Collaboration, Creativity, Communication, and Character (Five "C"s)
- ↓ All students will write as a tool for learning in all their classes.

COLLEGE & CAREER PLANNING

- ↓ All students will be invited to attend the Anaheim Union High School District College and Career Fair in October.
- ↓ All students will engage in a 7th grade college & career exploration activity to learn about colleges and universities and different career options.
- ↓ Students will participate in a guidance lesson on a Social Emotional topic.

PARENT ENGAGEMENT

- ↓ Parents will have an opportunity to review the 6-year plan and work with the school counselor to make any adjustments.
- ↓ Parents will be invited to actively participate in informational workshops about college options and requirements for college admission.
- ↓ Parents will be invited to participate in an eight-week course, Parent Leadership Academy 1.0, to learn how to best support their child in school and inform them about the school systems, school resources, college admission process, about paying for college and build fundamental leadership skills.
- ↓ Parents will be invited to actively engage in a Parent Learning Walk at their home school to learn about how to best support their child's learning and development at home.

PROFESSIONAL LEARNING

- ↓ All staff will be provided professional learning on First Best Instruction.
- ↓ All staff will learn about A-G courses and college admissions requirements.
- ↓ All staff will be knowledgeable about the different options/systems of higher education.
- ↓ All staff will be knowledgeable about AUHSD high school graduation requirements.

8TH GRADE

ACADEMIC PLANNING

- ↓ All 8th grade students will revisit, and update the 6-year plan consisting of the classes required to graduate from high school and the A-G classes required to apply to four-year colleges.
- ↓ Students will be provided with support to earn a C grade or better in all classes.
- ↓ Strong focus on: Critical thinking, Collaboration, Creativity, Communication, and Character (Five "C"s)
- ↓ All students will write as a tool for learning in all their classes.
