## **NORTH ORANGE PROMISE: AUHSD Student Pledge Agreement**

I, \_\_\_\_\_ (Print Student Name),

understand that the Pledge Program of North Orange County Community College District is designed to support my success in completing a certificate, degree, and/or transfer to a four-year university. I understand that by remaining in good standing with the program, **I am eligible to receive** the following:

- ◆ Academic, career, and transfer counseling, including the development of a Student Education Plan and the support I need to complete my educational goals.
- ◆ Participation in activities, support services, and events designed to provide the information and support I need to complete my educational goals.

To achieve my academic success, **I will take responsibility** for the following (student, please initial):

- \_\_\_\_\_ Meet with a counselor or special program counselor at least once per semester to review my Student Education Plan and once more before my spring registration appointment to make sure I am accomplishing my academic/ career/transfer goals.
