

**CTC Review of Preconditions
Resubmission Review
Spring 2018**

The information provided by your institution to demonstrate that each Commission approved credential program is operating in compliance with preconditions have been reviewed by staff. For preconditions that have been determined are met, no further action is necessary. **If additional information is needed, the precondition responses must be revised (use a different colored font), and resubmitted to Preconditions@ctc.ca.gov.** Institutions failing to submit revised preconditions within this time frame will be included in the next Committee on Accreditation meeting agenda for discussion and possible action. If you have any questions about the feedback provided here, please contact Preconditions@ctc.ca.gov.
