

UNLIMITED YOU

ANAHEIM UNION HIGH SCHOOL DISTRICT

To AUHSD Parents/Guardians:

RE: Outdoor and Indoor Youth Sports Program Update

Effective February 26, 2021, the District is able to return to competition. To ensure Anaheim Union High District (AUHSD) continues to remain compliant with all federal, state, and local health requirements and guidelines, you are **required** to read, sign, and return the form located on the last page prior to your child practicing for competition or competing. As always, participation in District athletics is **strictly voluntary**.

INCREASED RISK

COVID-19 is a new disease and information regarding risk factors associated with this disease is limited. At this time, the Centers for Disease Control and Prevention (CDC) believes that people of all ages are at risk of experiencing severe symptoms from COVID-19, though older adults and people with serious underlying health conditions may be at a higher risk. While the District has undertaken protective measures to reduce the risk of COVID-19, unfortunately, it is impossible to guarantee protection from all risk associated with COVID-19 exposure. Due to the nature and risk of transmission while participating in Outdoor High-Contact sports, we are sharing the following information as required regarding the increased risk to minors participating in such sports.

Factors Affecting the Risk of Transmission Practicing for Competition or Competing

- Risk increases when face coverings are not worn, and physical distancing is not maintained.
- Risk increases with increasing levels of contact between participants; closer contact (particularly face-to-face contact), and the frequency and total duration of close contact, increases the risk that respiratory particles will be transmitted between participants.
- Risk increases with greater exertion levels; greater exertion increases the rate of breathing and the quantity of air that is inhaled and exhaled with every breath.
- Risk increases with mixing of cohorts and groups, particularly when from different communities (during or outside of sports play); mixing with more people increases the risk that an infectious person will be present.

TESTING

Participants and coaches of High-Contact sports (Basketball, Football, Soccer, Water Polo, Wrestling when allowed) will be required to test weekly while practicing and competing. Testing must be on file prior to competing and valid for 7 calendar days and must be on file at least 24 hours prior to practicing or competing. Athletes will not be allowed to practice and/or compete without a negative COVID-19 test on file at least 24 hours prior to practicing or competing.

AUHSD provides on-site testing clinic at Magnolia High School every Monday and at Anaheim High School every Friday. To register at one of the on-site testing clinics, please visit bit.ly/AUHSDC19Testing. Additionally, every county offers COVID-19 testing at a variety of locations. To register for a COVID-19 test in Orange County, please visit bit.ly/OCCCOVID19Testing. Parent/Guardian must be present for a minor to be tested at one of these facilities.

RISK MANAGEMENT & INSURANCE

Anaheim Union High School District 501 N. Crescent Way Anaheim, CA 92801

Additionally, the District may be receiving saliva and/or nostril swab tests for our athletes provided by the Orange County Health Care Agency. The submission of these tests will be facilities by each school. At this end of this form, you will have the opportunity to decline or give your consent for your child to be tested for COVID-19.

FACE COVERINGS/PHYSICAL DISTANCING

Irrespective of setting (outdoor or indoor) case rate or sport played, the following general guidance requirements must be adhered to at all times:

- Face coverings to be worn when not participating in the activity (e.g., on the sidelines).
- Face coverings to be worn by coaches, support staff and **observers** at all times, and in compliance with the CDPH [Guidance for the Use of Face Coverings](#).
- Observers maintain at least 6 feet from non-household members.
- No sharing of drink bottles and other personal items and equipment.
- Coaches, participants, support staff, and observers may not bring food to practice and/or competitions.
- Mixing with other households prior to and post any practice or competition must strictly adhere to current gathering guidance.
- Limit indoor sports activities (practice, conditioning) to comply with capacity limits (which shall include all athletes, coaches, and observers) indicated in current CDPH [Gym & Fitness Center Guidance Capacity](#).
- Associated indoor activities for the team (e.g., dinners, film study) are prohibited if engaged in competition given evidence that transmission is more likely to occur in these indoor higher risk settings.
- Teams must not participate in out-of-state games and tournaments; several multistate outbreaks have been reported around the nation, including California residents.

HYGIENE AND SANITATION

AUHSD will continue with increased hygiene and sanitation measures at all AUHSD sites. When equipment is shared during an activity, participants perform hand hygiene (wash hands with soap and water or use an alcohol-based hand sanitizer) before play, during breaks, at half time, and after the conclusion of the activity. Balls or other objects or equipment can be touched by multiple players during practice and play if the above hand hygiene practices are followed.

TRANSPORTATION

Based on the studies that show bus/van travel for members of a team may pose a greater risk, AUHSD will allow for parents/guardians to transport athletes in their immediate household or an athlete who is a self-driver with a valid driver's license/insurance to drive directly to competitions.

AUHSD will provide transportation to any participant who is unable to provide their own transportation. At this end of this form, you will have the opportunity to inform us if you are able to transport your child to competitions, your child is a self-driver with a valid driver's license/insurance and may drive to competitions, or your child needs transportation.

Travel by private car limited to only those within the immediate household. AUHSD will require universal masking, physical distancing of at least 6 feet and windows to remain open the full duration of the trip, unless not feasible.

OBSERVER PROTOCOLS

- For athletics, immediate household members may observe practices and games as needed for age-appropriate supervision, but [observers](#) should be limited to ensure physical distance can be maintained, reduce potential crowding, as well as maintain indoor and outdoor capacity limits allowed by Tiers.
- Maximum number of observers per athlete is four.
- Observers will be limited to available space.
- Observers are permitted to bring their own chairs.
- Observers are encouraged to bring their own drinking water. Masks should be replaced immediately after the drinking of water.

- Food is not allowed.
- Observers must stay at least 6 feet from non-household members at all times.
- Observers are expected to remain within their household pod at all times and refrain from interacting with non-household pods.
- Observers must wear face coverings at all times.
- Observers who do not comply will be asked to leave the premises.

Return a signed copy of this form to your student's coach prior to any practice and/or competition.

1) TESTING (For the following sports only: Basketball, Football, Soccer, Water Polo, Wrestling when allowed.)

_____ I agree to allow my child to be tested for COVID-19 saliva and/or nostril swab infection (Corona Virus) test on a weekly basis in order to meet the State's requirement for competing.

_____ I do not agree to allow my child to be tested for COVID-19 saliva and/or nostril swab infection (Corona Virus) test on a weekly basis in order to meet the State's requirement for competing.

_____ Does not apply.

2) COMPETITION TRANSPORTATION (Check one item only.)

_____ I am unable to provide transportation to competitions off site.

_____ I am able to provide transportation to competitions off site. I understand that travel by private car limited to only those within the immediate household.

_____ My student possesses a valid driver's license and insurance and is able to provide his/her own transportation to competitions off site. I understand that travel by private car limited to only those within the immediate household.

3) ACKNOWLEDGEMENT AND UNDERSTANDING

Cancellation of practice and/or competitions, as well as the possibility of teams isolating for 2 weeks, may happen with little notice as a result of knowledge that a coach or athlete has contracted COVID-19.

My and my student's signatures below indicate that we have read this acknowledgement and agreement form, that we understand the increased risks associated with high-contact sports, that I agree to allow my student to participate, and that we agree to continue to comply with all Anaheim Union High School District protocols implemented as part of the partial reinstatement of the athletics program, including the signed Release and Waiver of Liability and Indemnity Agreement on file.
